

Community in Mathematics, Computing Sciences, and Physics Scholars Program Application

Preferred Name:

Banner ID Number:

Email Address:

Major Discipline:

Second Major Discipline (optional):

Class:

GPA*:

Major GPA*:

How many credits are you attempting for Spring2022?

*Note: If GPAs are adjusted to use non-Brockport grades, all College grades (most recent grade for any class repeated) must be included in both numbers and be weighted by the number of credits at each school.

Why are you majoring in your chosen discipline? What about it do you most enjoy? (Please limit your text to the box.)

Please speak to a time when you experienced an obstacle, setback, or failure and the growth and lessons learned from this experience.
(Please limit your text to the box.)

Please list two references who are faculty and can speak to your academic work in Mathematics, Computing Sciences, or Physics at the College level. Be sure to obtain permission to use the person as a reference prior to submitting your application.
