

DEAR NEW FACULTY AND STAFF:

Welcome to SUNY Brockport! Parking and Transportation Services (PTS) works hard to meet your needs. Be sure to visit us online for all the details, including campus policies, and services available to you. In the meantime, here is a quick overview:

- **All vehicles parked on campus require an appropriate pre-registration**
- **Online Registration Required!**
- **Your plate is your permit**
- **Employee permits can not be shared with students or other employees**

PARKING OPTIONS

Employees represented by a collective bargaining unit will be assessed a registration fee of \$27.00 for the academic year. If two permits are requested, an additional \$5 will be required. Those not represented by a collective bargaining unit, including but not limited to Research Foundation, BASC and BCDC, will be required to pay \$172.35 annually, which includes a non-registration fee. For each additional permit, please add \$27.00. **Online registration required.**

ARE YOU INTERESTED IN “OWNING” YOUR OWN SPACE FOR THE ACADEMIC YEAR?

There are several premium reserved spaces available at the cost of \$480.80 (includes cost of parking permit at union rate). Call for more information.

- Interested employees must resubmit name to the lottery each year.
- Temporary closure of space may be required due to construction or unforeseen circumstances. If availability to space is prolonged, Parking and Transportation may reassign location temporarily.

VISITORS

Review the policy online and secure a pass ahead of time for guests by submitting a completed Event and Guest Parking Request Form. Departments are encouraged to cover parking cost for their guests, or they may pay at a meter or pay station (Lot V), or use the Parkmobile payment app. Departments may request to reserve a meter for \$20/day. Events expecting 25 or more vehicles between the hours 9 am - 3 pm, Monday - Friday, may be required to park in lot X, D (Holley Street) or south of lot V. Permits are required Monday - Thursday until 7 pm, Friday, 5 pm.

TRANSPORTATION OPTIONS:

- **Carpool:** 511 NY Rideshare is a FREE online tool helps match riders and drivers from similar areas traveling to the same destination—either for a regular carpool relationship or a single trip. If a regular ridesharing relationship is formed, consider applying for a Carpool Permit to access to premium parking spaces on campus. Included are five day passes per semester for those times when another car is needed.

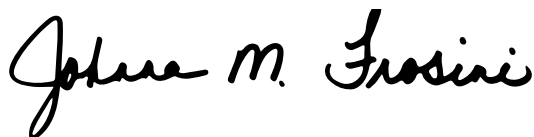

- **Public Transportation:** The Rochester Genesee Regional Transportation Authority (RGRTA) offers an on-demand service to the Brockport area from the Rochester Tech Park. Visit rgrta.com for schedules, maps, and fares. NYS Ride is a pre-tax benefit that helps NYS employees save money on public transportation costs. Learn more at oer.ny.gov/nys-ride
- **Biking and/or Walking:** Consider walking or biking to campus — a great way to stay healthy and there are plenty of bike racks available. Call Campus Recreation Services for more information on the bike borrowing program.
- **Motorist Assistance Program (MAP):** Parking and Transportation Services offers free lock de-icers, jumpstarts, and tire inflation assistance to those parked on campus. Call 395-7275 during office hours for assistance.

To learn more on these transportation alternatives and other services, visit brockport.edu/support/parking.

CAMPUS ID:

New employees are required to submit a photo using the GET app from the Android or Apple Store (Managed by CBORD Group, Inc.). Follow instructions carefully before submitting. Campus ID's will printed by IT Services and mailed to your home address.

Sincerely,

Johnna Frosini, MPA, CAPP
Parking and Transportation Director
