Requested Resources

The only resource request recommended would be to hire a training manager in Human Resources; however, we understand in the current budget environment that is not likely.

Requested Updates to 2020-2021 Operational Plan

During the review process, the Goal Group 4 Coordinating Committee collected requests for updates to the Operational Plan for 2020-2021. Our committee supports the following updates to the plan:

• Delete strategy 4.5.c as it was redundant with 4.5.d
