

DON'T JEOPARDIZE YOUR WINTER/SPRING 2017 REGISTRATION ELIGIBILITY!

Do you have an outstanding balance due on your Brockport student account? Effective at the close of business **October 5, 2016**, a hold will be placed on any student account for which an outstanding balance exists*. **Failure to remit full account payment by 5:00 p.m. October 5 will result in the denial of course registration privileges for the winter and spring 2017 terms. In addition, transcript and grade release requests will be denied if an account hold is present.** Account holds will remain in place until the student account has been paid in full; a hold will **not** be removed if partial payment is remitted.

We urge you to verify your current Brockport student account balance by accessing Web Banner at www.brockport.edu. Enter your Banner ID and PIN, and select the "Student Accounts" menu located on the "Student Services" tab. Choose "View Recent Account Activity" to see your account details, including any outstanding balance. If your account indicates a balance due, payment may be made via the QuikPAY system using a credit card or e-check (non-investment checking or savings account). You may also stop by the Office of Student Accounts and Accounting (2nd floor, Rakov Center for Student Services) with full payment. **Remember, your account must be paid in full by 5:00 p.m. on October 5, 2016 in order to retain registration privileges.**

Questions? Please contact the Office of Student Accounts and Accounting at 585-395-2473, or visit the office located on the second floor of the Rakov Student Services Center weekdays between 8:00 a.m. – 5:00. p.m.

**A hold will be placed on any account for which there are not sufficient (federal or state) financial aid funds in the "authorized" state (pending disbursement).*
