

**STATE UNIVERSITY OF NEW YORK  
SUPERVISING/CRITIC TEACHER STIPEND/WAIVER ELECTION FORM**

This election form entitles the supervising/critic teacher named below to a choice of a stipend or a waiver of tuition as specified below. The waiver of tuition is valid at any state-operated unit of the University. In the event the named teacher chooses not to use the certificate, the waiver of tuition portion may be transferred to the school system in which service as a supervising/critic teacher was rendered for use by other professional staff members of that school system. Selection of alternate employees shall be made by the chief administrative officer of the school system in accordance with such procedures that the school system may establish. In order to transfer a certificate, complete item #11 on the actual certificate. A certificate may NOT be transferred DIRECTLY to other employees, nor may the stipend alternative be used by anyone except the originally named recipient. The waiver of tuition certificate does not exempt the holder from fees and/or charges other than the amount of tuition specified. Once the stipend or tuition waiver is selected, whichever choice you make is final. This form must be returned no later than the last day of the semester during which you supervise to receive your stipend/waiver.
