The College at Brockport
Federal TEACH Grant/Loan Application

I wish to be considered for the Federal Teacher Education Assistance for College and Higher Education (TEACH) Grant. I have read the relevant material at <https://studentloans.gov/teach>.

I understand and agree to the below conditions and requirements:

- Although a Federal TEACH Grant/Loan may appear in my financial aid package, I will receive it only if I ultimately meet the requirement of a current, cumulative Brockport GPA of 3.25 (current students), a transfer GPA of 3.25 (transfer students) or a minimum high school GPA of 3.25 and/or scoring in the 75 percentile on my SAT or ACT (incoming freshmen).
- There is a service related requirement upon graduation that requires teaching in designated high need fields in schools servicing low-income families.
- Failure to meet the service related requirement will cause the grant to be converted to a Federal Unsubsidized Stafford Loan with interest accruing from the date the grant was first received.
- I must complete a federal contract/agreement to serve at <https://studentloans.gov/teach>
- I must attend an information session at the College or complete a web based tutorial regarding the terms of the award at <https://studentloans.gov/teach>
- I realize I may decline the grant at any time prior to disbursement. The grant may be replaced by other types of student aid providing there are funds available on the date I decline the award or it is determined that I am ineligible.

I certify that I meet the eligibility requirements as stated above. I agree to sign the required contract with the United States Department of Education and attend the required counseling session before the funds may be disbursed.
